

1921-22

Dummer Academy

DUMMER ACADEMY

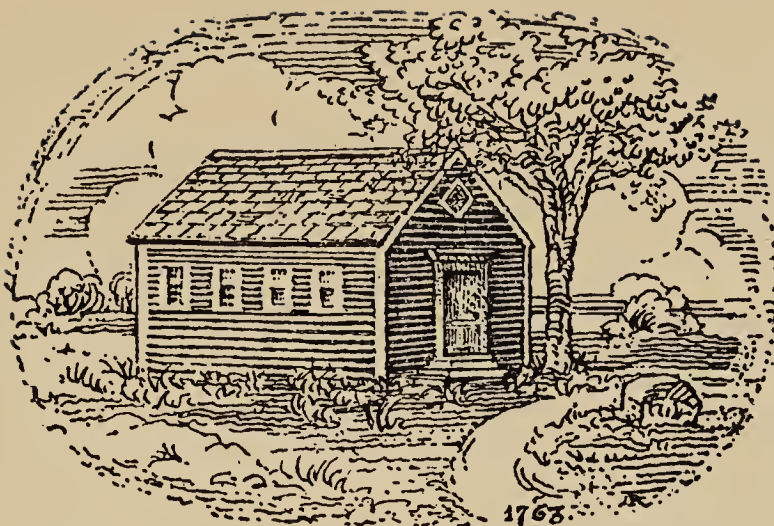

A SCHOOL FOR BOYS

FOUNDED IN 1763 BY
LIEUTENANT-GOVERNOR WILLIAM DUMMER
Incorporated 1782

1929-1930

SOUTH BYFIELD, MASSACHUSETTS

ONE HUNDRED AND SIXTY-SEVEN YEARS OF SERVICE TRADITIONS
OF DUMMER

DUMMER ACADEMY, as the oldest unendowed institution of its kind in this country, holds a unique and dignified position among the secondary schools of the United States.

The Honorable William Dummer, by the gift of his estate, made possible the foundation of the academy which bears his name. He was lieutenant-governor of the Province of Massachusetts Bay from 1716 to 1730, acting as governor from 1723 to 1728 and from the time of the death of Governor Burnet until the arrival of Governor Belcher. His grandfather, Richard Dummer, one of the early settlers of Newbury, was a man of great wealth and liberality. Governor Dummer was born in Boston in 1679, died there in 1761, and his body now lies in the Granary Burial Ground.

By his will, the income from his estate was first to be appropriated to the erection of a "Grammar Schoolhouse to be erected on the most convenient part of my Sd. farm," and after that forever "toward the maintenance of a Grammar School Master in Sd. School." In 1762, a schoolhouse was built; it still stands and is most properly used as a chapel. On March 1, 1763, under

the charge of the celebrated Master Moody, it first opened its doors, and in 1782 the school was incorporated by a special act of the legislature of Massachusetts under the name of "The Trustees of Dummer Academy in the County of Essex." These are the bare facts—rich are the traditions which surround them; dignified the work whose beginnings they record; inspiring the lives of those men who graduated from this academy.

DISTINGUISHED EARLY GRADUATES

Among its early graduates who rose to distinction are:

CAPTAIN SAMUEL OSGOOD, who fought at Lexington, and who was Commissioner of the United States, Treasurer, and Postmaster-General

MAJOR ANDREW McCLARY, who fell at Bunker Hill.

BRIGADIER McCLARY, CAPTAINS CLEVELAND, FRYE and GLOVER, in the Revolution

TOBIAS LEAR, private secretary to George Washington

RUFUS KING, staff officer, member of the Convention that framed the Constitution of the United States; later Senator

Fourteen other members of the Continental or the United States Congress

CAPTAIN EDWARD LONGFELLOW, who served in suppressing Shays's Rebellion

COMMODORE EDWARD PREBLE and CAPTAIN RICHARD DERBY, of the United States Navy

THEOPHILUS PARSONS and SAMUEL SEWALL, two Chief Justices of Massachusetts.

SAMUEL WEBBER, President of Harvard College

ELIPHALET PEARSON and DAVID TAPPAN, Professors in Harvard College

SIR DAVID OCHTERLONY, Major General of the British Army, member of the East India Company, founder of Indian Empire, to whom a statue is erected in Calcutta, stating that he is a graduate of Dummer

SAMUEL PHILLIPS, through whose agency Phillips Andover was founded in 1778 and Phillips Exeter in 1783.

DUMMER ACADEMY TODAY

DUMMER ACADEMY today is an institution ever mindful of the standards of learning and loyalty set by its distinguished graduates and ever striving by modern progressive methods to improve those standards.

The school endeavors to discover the possibilities of each student and to train him so that in utilizing his possibilities, he may think clearly and soundly, and, with widened perceptions and strengthened affections, seek eagerly his proper place in the community, render full service, and advance high purposes.

LOCATION

The location of Dummer Academy in the rolling uplands of the beautiful North Shore combines the health-building atmosphere of the open country and the invigorating salt air of the sea. The hills and fields surrounding the school make a fine playground for outdoor sports the year round.

Four miles from the school is the town of Newburyport, rich in historic traditions, and still famous as one of the greatest ship-building centers of old New England. Boston, the nucleus of the intellectual life of the East, is only thirty miles from the school, and offers many interesting features in the educational field.

EQUIPMENT

The school estate comprises three hundred and seventy acres of land bordering on the Parker River, facilities for athletics and outdoor sports, and ten buildings with steam heat, electric lights, and comfortable living accommodations for all the boys.

THE GOVERNOR'S MANSION HOUSE, built in 1716, is a fine piece of colonial architecture and is occupied by the Headmaster.

THE PARSON'S SCHOOLHOUSE, the principal school building, contains the office, library, laboratories, recitation rooms, and an assembly room used in the preparation of lessons.

THE COMMONS is the headquarters for the school life, and has an adequate dining hall with modernized commissary equipment, and rooms for eighteen senior boys.

MASTER MOODY HOUSE, opened in September, 1915, has accommodations for fourteen boys, from ten to thirteen years of age, a living room, and rooms for a married master. The entire house is planned to give the boys constant oversight and care in pleasant surroundings. The wing, with separate entrance, is arranged for an infirmary.

PEIRCE HALL, a brick dormitory 40 x 65 feet, was opened in October 1918. This building has excellent accommodations for twenty-eight boys, one married master, and an assistant; also a living room, quarters for the Junior School, and a room for Mechanical Drawing. This is the first of a group of buildings already planned to take care of the growth of the school.

PERKINS HALL, opened in September, 1925, is a dormitory accommodating twenty boys and two masters.

THE MASON COTTAGE consists of eight rooms, occupied by a master and his family. This is a step towards securing adequate housing for married members of the faculty.

THE LANG GYMNASIUM, built of brick, 95 x 52 feet, was completed in June, 1922. It is named in honor of the principal donors, Mr. and Mrs. William A. Lang of Melrose, whose gift of \$22,000 to the building fund capital made its erection possible. It has a playing floor, 68 x 41 feet, a gallery for one hundred and fifty spectators, a large locker room and offices. This fine piece of equipment not only meets the needs of the growing school for some time to come, but released the old gymnasium for other purposes.

THE NOYES MEMORIAL LIBRARY, built 1929, the gift of Captain Charles W. Brown of Pittsburg, in memory of his classmate, Edward Parrish Noyes, for thirty years a Trustee of the Acade-

my: A fireproof building containing a fine reading room 24' x 35' and below a large well lighted-room for manual training.

THE ORIGINAL SCHOOLHOUSE, dating back to 1763, now remodeled and used as a chapel.

THE ANNEX, a portable schoolhouse, has two large, well-lighted well-ventilated, and comfortable recitation rooms.

WATER PLANT. The water used in the school is piped from a new artesian well and clear springs of pure water.

BASEBALL AND FOOTBALL. Provision is made for these sports on the school property where a beautiful playstead has been made by a generous alumnus of the school, John Hamilton Morse, '84.

GOLF LINKS. Students, with the approval of the Headmaster, are admitted to the links of the Ould Newbury Golf Club, located on the school property, at a fee of \$7 per year.

TENNIS. Through the generosity of one of the trustees, Mr. Roland H. Sherman of Winchester, Massachusetts, the school has two excellent clay courts.

CARE OF HEALTH

The healthful outdoor life at Dummer Academy builds strong, rugged bodies which are the essential foundations for keen minds and upright characters. The value of this outdoor life at an old New England academy has already been proved by the sturdy, vigorous men who have made history not only for New England, but for the nation.

The thoroughly heated and well-ventilated buildings, with their large, airy classrooms, provide the best conditions for good health and alert minds. Away from that feverish haste, that spirit of restlessness which unconsciously pervades the large city schools, the boys at Dummer Academy live the healthy, normal life of old New England.

The school infirmary insures quiet and isolation in time of illness, and is supervised by a resident trained nurse. Students requiring X-ray examinations and specialists are treated at the Anna Jacques Hospital in Newburyport, where the services of the best physicians and surgeons of Boston are available.

The boys are weighed and measured at the beginning and close of each year. As a result of the vigorous outdoor life the students lead and the care exercised in anticipating and treating colds and minor ailments, cases of serious illness involving long absences are rare.

RELIGIOUS LIFE

Although the school is a Congregational foundation, it is non-sectarian. It realizes that some positive religion is of the greatest importance to the growing boy, and endeavors to enrich his life by teaching the love of truth and the significance of worship and aspiration.

The exercises of each day begin with morning prayers. On Sundays, the boys attend morning service at the Byfield Parish (Congregational) Church, or at some other church selected by their parents. Sunday evening, all the boys gather for a song service and an address by the Headmaster or a speaker invited to conduct the services.

The boys receive regular instruction in the Bible as literature as a part of the school course. On Sunday afternoons, those students who have not had sufficient Bible training meet the Headmaster for additional instruction.

ATHLETICS

Students at Dummer Academy find excellent facilities for all branches of athletics, including golf, tennis, and hockey. The regular teams are always well supported.

It is the policy of the school to make athletics and sports contribute to the health and enjoyment of all, and to this end students are encouraged to participate in outdoor sports. Every student takes some form of regular outdoor exercise. Day students as well as the boarding students may be required to take physical training.

ADMISSION

Students are eligible for admission to the first and second year classes of the Junior School or of the Upper School, if qualified as shown by approved records or examinations and satisfactory testimonials as to character. They may, in case of vacancies or by special permission, be admitted into other classes on satisfactory evidence of good character, industry, and average ability.

Boys are entered for the entire year, except in special cases in which it is otherwise agreed in writing before entering.

No student will be retained in the school whose removal, either permanent or temporary, is believed to be for his best interest and that of the school. No reduction or allowance will be made in case a student is suspended or expelled, but in case of prolonged absence for sickness, the trustees may share the loss equally with the parent.

No student is allowed to remain at the academy during the regular vacations except by special arrangement made with the Headmaster.

COURSE OF INSTRUCTION

JUNIOR SCHOOL

The instruction in this department covers the sixth, seventh, and eighth grades of the grammar school and gives a thorough preparation for the Upper School. As a result, boys who have had the Junior School course are usually better equipped for

the work of the Upper School than those prepared elsewhere, and hold their advantages throughout the four years before college. As rapidly as possible, the system of admitting to the school only through the Junior School will be adopted.

Applicants for the Junior School must be more than ten years of age and able to do the work of the sixth grade in the public schools.

UPPER SCHOOL

The instruction in the Upper School comprises three distinct courses:

THE CLASSICAL COURSE meets fully the entrance requirements of candidates for the A.B. degree in any university or college.

THE SCIENTIFIC COURSE prepares for Massachusetts Institute of Technology and similar institutions.

THE GENERAL COURSE is designed for those who do not expect to pursue their studies beyond graduation. Emphasis is placed on civic and business practice.

Written examinations are held monthly and reports are sent regularly to parents.

The certificates of this school, in lieu of examinations, are accepted by all New England colleges, except Harvard and Yale, which admit by examination only, and by other American universities.

The school is also a member of the Secondary Education Board.

Applications for the first year in the Upper School are examined in Arithmetic, Geography, English, Grammar, and the elements of United States History.

OUTLINE OF STUDIES

JUNIOR SCHOOL

First Year

SPELLING.

READING: Supervised outside reading. Class reading.

MEMORIZING OF TWO HUNDRED LINES OF POETRY.

GRAMMAR: Modern English, Book II, Klapper, London, Emerson, Bender; Modern English Grammar, Buehler.

MATHEMATICS: Arithmetic, fractions, decimals, to percentage. Text, Wentworth-Smith.

GEOGRAPHY: Brigham and McFarlane, Book II.

HISTORY: American Leaders and Heroes, Gordy.

Second Year

SPELLING.

READING: Tom Brown's School Days, Snow Bound, Selections from Irving's Sketch Book, English Lyrics from Dryden to Burns, Lamb's Tales, Ivanhoe.

GRAMMAR: Review of Modern English, Book II, Klapper, London, Emerson, Bender; Concise English Grammar, Kittredge and Farley.

MEMORIZING OF FOUR HUNDRED LINES OF POETRY.

OUTSIDE READING: Ten books from a selected list.

PUBLIC SPEAKING.

HISTORY: Elementary American History and Government.

MATHEMATICS: Review of arithmetic. Algebra as far as factoring.

LATIN: First twenty-five lessons in Ritchie's First Steps.

MUSIC

Instruction on the piano and violin may be had by special arrangement with Mr. Porell. The school has an orchestra, which enables those who have made some progress in music before coming to the school to keep in practice and to have the experience of actual playing with others in concerts and elsewhere. Vocal work for glee club and choir is directed by Mr. Prothero and Mr. Porell.

DANCING

Each year a class in dancing for beginners is conducted by skilful teachers.

EXPENSES

Day pupils pay \$200 a year, if residing in the parish of Byfield, or \$300 if residing outside the parish of Byfield.

Boarding pupils pay \$1,200. (See also Scholarships.)

There is also a laboratory fee of \$10 in Chemistry or Physics. There is an athletic fee of \$20.

Books, stationery, and similar supplies are furnished at list rates.

Laundry is charged at list rates.

There is a cartage charge on all express matter.

Breakage by students is charged to the individual accounts when possible, otherwise to the students pro rata.

Save in the two upper classes, spending money should be paid only through the school, from a deposit placed with the school for that purpose.

The school cannot advance money for the student's needs.

TIME OF PAYMENT

A boarding pupil is required to deposit \$15 at the time of application. This is applied on the final June bill for incidentals, and the balance, if any, is refunded.

The fee for day pupils (\$200 or \$300 a year) is payable in advance as follows: one-half at the opening of the fall term, and one-half on January 1. The fee for boarding pupils, \$1,200, and an athletic fee of \$20, must be paid as follows: \$720 at the opening of the fall term, \$500 January 1.

No boarding pupil will be definitely assigned a room until the first payment of \$720 is made.

All other charges are payable January 1, April 1, and June 1.

OUTFITS

Each boy is supplied with couch, mattress, pillow, double blanket, chiffonier, table and chair.

He should bring a bathrobe, bed slippers, bath towels, common towels, four sheets for bed three feet wide by six feet six inches, pillow cases, napkins and ring, couch cover, two bags for soiled clothes, a small rug (two by four feet), and blankets (four). All articles must be marked with owner's name, not initials.

A complete outfit of clothing and footwear suitable for outdoor play in all weathers is essential. A gymnasium suit and gymnasium shoes are compulsory.

HOW TO REACH DUMMER ACADEMY

Dummer Academy is located about thirty miles north of Boston on the Boston-Newburyport turnpike. This gives direct communication to those using motor cars. The school is also served by the Eastern Division of the Boston & Maine Railroad. Passengers use the Newburyport station (four and one-half miles). (Taxi: call Newburyport 836-4.) All mail should be directed South Byfield, Mass. All baggage, express and freight go to Newburyport. Telegrams: Dummer Academy, Newburyport, Mass. Telephones: Principal and office, 261-M, Newburyport; all other calls 8778-M, Newburyport.

CALENDAR

1930

January 6, Monday, 6 P. M. Second term begins

March 22, Saturday, to April 1, Tuesday 6 P. M. Easter recess

June 14, Saturday. Commencement.

September 16, Tuesday, 2 P. M. Examination for admission

September 16, Tuesday, 6 P. M. First term begins

November 27, Thursday Thanksgiving. This recess begins at 10.45 A. M. Wednesday and ends at 9.45 P. M. Thanksgiving Day.

December 19, Friday. Fall term ends.

1931

January 5, Monday, 6 P. M. Second term begins

March 20, Friday, to Mar. 31, Tuesday, 6 P. M. Easter recess

June 13, Saturday. Commencement

PERMANENT FUNDS, SCHOLARSHIPS AND PRIZES

GOVERNOR SCHOLARSHIPS

William Dummer, the founder, lieutenant-governor and acting governor of Massachusetts Bay Colony, provided in his will that the income from his dwelling house, farm, and real estate in the parish of Byfield should be appropriated to building a grammar school house, and thereafter the maintenance of a grammar school master.

The income of his estate is applied to the maintenance of the master. This is carried out through the establishment of Governor Scholarships of a value equivalent to the annual income. These are awarded annually to boys coming to the school from the parish of Byfield as day pupils, upon their giving satisfactory evidence of good character, industry and ability. The First Governor Scholarship is equivalent to \$200, and it entitles the boy found by the master best qualified among those eligible to attend the school free of tuition for a year.

MOODY KENT FUND

\$500

Moody Kent, of Concord, New Hampshire, a student in the academy in 1797, by his will in 1866 bequeathed \$500, the income

to be expended in the purchase of medals with suitable devices or engravings thereon, not less than two nor more than ten each year, to be given to such scholars or pupils as shall, in the opinion of the trustees, be best entitled by their good behaviour and attainments to such marks of distinction, and would be most likely to profit by them; not more than one medal to be given to any individual and none to be given to any individual who has not been at least one year at the academy.

By an act of the legislature of Massachusetts, 1909, Chapter 74, the trustees of Dummer Academy in the county of Essex were authorized to use the income of the Moody Kent Fund for diplomas and other prizes to such students as said trustees from time to time shall deem deserving instead of for medals as provided in the will of Moody Kent.

On Commencement Day each year six prizes are awarded for the highest standing in the following subjects: English, Classics, Modern Languages, Mathematics, Science and History.

STICKNEY FUND \$10,000

Sarah Hale Stickney of Lowell, Massachusetts, by her will allowed July 10, 1883, gave a legacy of \$10,000 to be known as the Stickney Fund, in memory of her honored father, Samuel Stickney, a former pupil and for many years a trustee of the school, and of his interest in the academy and in the cause of education and religion, the income to be used for the support of instruction and for the benefit and advancement of the academy.

The income is used for the Stickney Fund Teaching Foundation.

CYRUS WOODMAN FUND \$1,000

Cyrus Woodman of Cambridge, Massachusetts, a trustee of Dummer Academy from 1881 to his death in 1889, bequeathed the sum of \$1,000, which was given to the academy, to be known as the Cyrus Woodman Fund, the income only to be used for the general purposes of the school.

EDWARD S. MOSELEY FUND \$2,500

By his will allowed in 1900, Edward Strong Moseley, a trustee of this academy from 1852 to 1900, gave \$2500, the income to be used for the general purposes of the school. Mr. Moseley succeeded his father, Hon. Ebenezer Moseley (1815-1839), on the Board and was in turn succeeded by his son, Charles W. Moseley (1883-1908). This fund was the last of his many benefactions to Dummer Academy.

EWELL FUND \$100

John Lewis Ewell, who graduated from the academy in 1856, by his will allowed in 1910, bequeathed \$100 to be known as the Ewell Fund, the income only to be used and to be expended by preference in books illustrative of the Bible or aiding in its study.

STERNS FUND \$500

Mrs. Harris O. Poor and Mrs. Charles Swan in December, 1913, gave the sum of \$500 to be called the Sterns Fund, in memory of their father, Samuel Sterns of Bangor, Maine, a student in the academy in 1859; the income to be awarded each year to some deserving student for the purchase of text books, or the principal, with the approval of the donors, to be used as a student loan fund.

NEWBURYPORT CHAPTER, DUMMER ALLIES FUND \$2,000

On April 9, 1912, the Newburyport chapter of Dummer Allies made a gift of \$300, with the intention of making further gifts from time to time until the several gifts, together with interest at 4 per cent, should be equivalent to \$2,000; and thereafter the Newburyport chapter of Dummer Allies should have the right to nominate each year, subject to the approval of the master, a day student to be educated at the academy without further charge for tuition, under a scholarship to be called the Newburyport chapter of Dummer Allies Fund.

NEWBURY CHAPTER, DUMMER ALLIES FUND \$100

On Spetember 11, 1913, the Newbury chapter of Dummer Allies gave the sum of \$100 to be used as a loan fund for deserving students, to be repaid by them to the permanent funds of the academy.

They also give each year two scholarships of \$25 each, as additional aid to students from the parish of Byfield.

CHARLES W. MOSELEY FUND \$2,500

By his will, Charles W. Moseley, Esq., of Newburyport, Mass., a student of the academy in 1861, and a trustee from 1883 to 1908, gave to the academy \$2,500 as a permanent fund, stating that he did so inasmuch as his grandfather, his father and he had been trustees of the school. The income of the fund is used for general purposes.

ADAMS FUND \$2,500

In July, 1924, Stephen D. Adams, of Reading, Mass. (Dummer 1890), gave \$2,500 in memory of his father, Deacon Leonard Adams of Byfield (Dummer 1854).

EDWARD PARISH NOYES FUND \$17,140

In 1915, Mr. Joseph Lee of Boston gave the sum of \$17,140, stating that "my purpose in making the gift, besides helping the academy, in which I have a thorough belief as embodying a valuable tradition and being an excellently conducted school, is to provide some appropriate memorial to Edward Parish Noyes." Mr. Noyes was of the class of 1873 and a trustee from 1895 to his death in 1913. Part of the fund was used, with other gifts, toward erecting the Master Moody House and Peirce Hall. The income from the fund is used for the Edward Parish Noyes Teaching Foundation.

WILLIAM PINKHAM GOVE FOUNDATION \$5,000

In June, 1926, Mrs. Olga R. Gove of Salem, with her son Karl,

gave the sum of \$5,000 in memory of her husband, the income to be used for a scholarship awarded annually to a student of promise in the academy.

INGHAM FOUNDATION

\$5,000

As a memorial to the late Samuel Kellogg Ingham of Saybrook, Connecticut, his children, nieces, and nephews—notably William F. Inham of Kansas City, Mo.—gave to the trustees in June, 1927 securities of the par value of \$5,000 “in loving memory of a plain man who feared God, loved his neighbor, and wrought righteousness as did our fathers who laid in New England the foundations of the nation.” The fund is to accumulate during the term of Charles Ingham, a son, as master of the academy and the income thereafter to be used by the trustees in such ways as will best perpetuate the name of Samuel Kellogg Ingham.

GOODWIN ATHLETIC PRIZE

Each year Mr. Frederick Howard Goodwin, 1916, of New York City, provides a prize for the best all-around athletic record of the year.

AMBROSE PRIZES FOR DECLAMATION

Each year Mr. Fred M. Ambrose, of the class of 1876, gives the money for three prizes for Declamation, to be awarded on Commencement Day; first prize \$25; second prize \$15; third prize \$10.

MORSE FLAG

In 1913, the Rev. Glenn Tilley Morse, in memory of his ancestor, Anthony Morse, one of the first settlers of Newbury, made a gift whereby an American flag should be awarded annually to the student of the graduating class whose record in all respects meets with the highest approval of the faculty.

WASHINGTON AND FRANKLIN MEDAL IN AMERICAN HISTORY

A prize, offered by the Sons of the American Revolution, is awarded each year for the greatest proficiency in American History.

PRIZES AWARDED IN 1929

General neatness and reliability prize—Cecil Garner Kleeb, New Bedford.

Nature Study—Penn Parker Pillsbury, Manchester, N. H.

Team Prize, Moody House Boys—James Albert Hessian, Forest Hills, N. Y.

Great improvement in Junior school—Robert Dominick Mollica, Dorchester.

General excellence Junior school—James Frederick Huxtable, Richfield Springs, N. Y.

Track Prize—Charles Arthur Fuller, Jr., Mt. Vernon, N. Y.

Dalton Hamor Prize—Roger William Page, Lynnfield.

Goodwin Athletic Prize—Norman Francis Smith, Lawrence.

Moody Kent Medals—English—George Gordon Ladd, Newburyport; Classics, Everett Ware Smith, Brookline; Modern Language, Owen Grant, Jr., Boston; History, Richard Hammond Moulton, Lexington; Science, Roger William Page, Lynnfield; Mathematics, William Buechner, Brighton.

Faculty Cup—Richard Hammond Moulton, Lexington.

Harvard Club Prize—John Martin Capron, Annapolis, Md.

Morse Flag—Richard Hammond Moulton, Lexington.

Ambrose Prize Speaking Contest—First Prize: Everett Ila Montague, Brookline. Second Prize: Arthur Bartlett Sleight, Ipswich, Third Prize: Charles Stuart Chase, Haverhill.

Tennis Winners: Singles—Richard Homser, Sharon. Doubles—Samuel Angelo Verdes, West Newbury; and Norman Francis Smith, Lawrence.

Golf Cup—Robert Wilson, Brookline.
 Sterns Scholarship—Norman Smith, Lawrence
 William Pinkham Gove Memorial Scholarship—James Frederick
 Huxtable, Richfield, N. Y.
 Newburyport Chapter of Dummer Allies Scholarship—John
 Martin Capron, Annapolis, Md.
 Newbury Chapter of Dummer Allies Scholarship—Weldon Mar-
 shall Ray, Newbury.

THE DUMMER ALLIES

The first chapter of this society was organized in Byfield in August, 1910, the second in Newburyport in the early part of 1911. The purpose of this society is to preserve Dummer Academy as a historical monument and to aid in extending its usefulness as a school.
